SUMMERY

As a B.Tech Computer Science Engineering student with a strong passion for web development, my objective is to obtain a position where I can utilize my knowledge of front-end and back-end technologies to design and develop efficient, scalable, and user-centric web applications, while continuously learning and contributing to innovative digital solutions.

EDUCATIONS

Galgotias University, Greater Noida, India   CGPA: 7.57/10   July 2022 – Aug 2026
Bachelor of Technology in Computer Science

XII   Percentage: 78.0%   March 2021
Rais Ahmad Inter College, Siddharthnagar, U.P

PROJECTS

WanderStay – Stay Booking Website   github.com/kamleshgupta905/wanderstay
- Developed a responsive and user-friendly travel accommodation platform for booking stays across multiple locations.
- Features include property listings, booking options, and user profile management for both property owners and guests.
- Tecnologies Used: Html,Css,Javascript,NodeJs,ExpressJs,MongoDB

To-Do-List Application   github.com/kamleshgupta905/Todo-app-using-react
- Developed a dynamic To-Do-List application using HTML5, CSS3, JavaScript, React.
- Users can efficiently manage tasks with a responsive UI.
- Tools Used: HTML5, CSS3, JavaScript, React.

COMPLITION OF CERTIFICATIONS

- **MERN Stack Web Development**- by Apna College
- **Java Programming and Data Structures & Algorithms**- by Apna College

TECHNICAL Skills AND INTERESTS

- **Languages**: Java, C, SQL
- **Frontend Development**: HTML5, CSS3, JavaScript, React
- **Backend Development**: NodeJs, ExpressJs, MongoDb
- **Database**: MySQL
- **Developer Tools**: VS Code ,GitHub
- **Coursework**: Data Structures and Algorithms, Database Management System, Operating System
- **Areas of Interest** : Passionate about building end-to-end scalable and responsive web applications using MERN stack and RESTful APIs.

SOFT SKILLS

Team Collaboration   Leadership   Problem Solving   Agile Mindset   Communication
